# Boldmere Swimming Club **needs you!**

---

**The club is currently run by a committee of swimming parents but we need more volunteers.**

## **We are looking for help with:**

**Administration of volunteers** We have many volunteers on our database – teachers, chaperones, catering etc. but we haven't always been good at keeping these volunteers involved and feeling part of club activity – we want to improve this by providing more support for our volunteers co-ordinator. Would you be willing to engage with other volunteers during your child's training sessions, pass out information, help with recruitment and ensure that other parent volunteers are happy?

**Communications** Boldmere has a great tradition of coverage in the local press. To assist our communications officer, we need a team of parents who will provide brief summary reports of galas and open meets they attend so that these can be written up by the communications team for the local press. Can you help?

**Fundraising** Every year the club must pay our instructors and coaches, buy pool time for training sessions and maintain timing equipment for meets and galas. In order to keep our subscriptions affordable, we must raise funds to help with these (and other) costs. Do you have ideas for fundraising activities? Would you be willing to work with the fundraising team to raise money for the club?

We are also always on the look-out volunteers to help at our swimming lessons and training sessions, helping out at the front desk, taking and updating registers. Also at our open meets where we need officials, co-ordinators, marshalls, chaperones, setting up, stripping down and top desk.

**If you think you can help with any of these activities or would just like to talk further about volunteering and what it involves, please contact:**

**Karen Woodhall (boldmerevolunteers@gmail.com) or  
Judy Kenyon (judykenyon@aol.com)**

**We are happy to talk! You can also find us at the AGM –  
7.30pm on 20th April at Castle Vale Pool.**
